A Hint to Mothers of Growing Children

A Mild Laustive at Regular Intervals Will Prevent Constipation.

A vital point upon which all schools of medicine seem to agree is that normal regularity of the bowels in an essential to good health. The importance of this is impressed particularly on mothers of growing children.

A very valuable remedy that should be kept in every home for use as occasion arises is Dr. Caidwell's Syrup Pepsin, a compound of simple laxative herbs that has been prescribed by Dr. W. B. Caidwell, of Monticello, Ill., for more than twenty-five years, and which can now be obtained in any well stocked drug store for lifty cents a bottle.

In a recent letter to Dr. Caldwell, Mrs. H. C. Turner, 844 Main St., Buffalo, N. Y., says. "I bought a bottle of Mr. Caldwell's Syrup Pepsin for my baby, Roland Lee Turner, and find it works just like you said it would. It is fine for the stomach and bowels." A bottle of Dr. Caldwell's Syrap Pep-sin should be in every home. A trial Washington St., Monticelle, Ill.
